A human without magical ability, she is completely vulnerable to the deadly forces surrounding her. When she defies her captors and refuses to share her music, an act of violent cruelty leaves her broken, her ability to play silenced, maybe forever. Her only hope is a whisper in the dark, gentle hands that offer healing, and a man who refuses to show her his face yet who offers advice she dare not ignore. One of the most feared and powerful sorcerers in history, Morgan le Fae serves a Queen he despises, Isabeau of the Light Court. Once a famous bard and an advisor to kings, Morgan has been enslaved to Isabeau for hundreds of years, acting as enforcer and the commander of her deadly Hounds. Sidonie's music touches Morgan in places he had abandoned centuries ago, and her fiery spirit resurrects feelings he had believed long dead.
