Itâ€™s been ten years since the events that changed Johnny Merrimonâ€™s life and rocked his hometown to the core. Since then, Johnny has fought to maintain his privacy, but books have been written of his exploits; the fascination remains. Living alone on six thousand acres of once-sacred land, Johnnyâ€™s only connection to normal life is his old friend, Jack. Theyâ€™re not boys anymore, but the bonds remain. What they shared. What they lost. But Jack sees danger in the wild places Johnny calls home; he senses darkness and hunger, an intractable intent. Johnny will discuss none of it, but there are the things he knows, the things he can do. A lesser friend might accept such abilities as a gift, but Jack has felt what moves in the swamp: the cold of it, the unspeakable fear. More than an exploration of friendship, persistence, and forgotten power, *The Hush* leaves all categories behind, and cements Hart's status as a writer of unique power. ...more [The Hush \(Johnny Merrimon, #2\) PDF ebook](#)
